The screenshot displays the RCHOT journal page on the Thieme website. At the top, there is a navigation bar with links for Home, Thieme Germany, Thieme India, Thieme UK, Thieme Brazil, Thieme Australia, Thieme China, Log In, and Cart. Below this is the Thieme logo and a search bar. A secondary navigation bar includes links for Books, Journals, eProducts, Resources, and Contact Us.

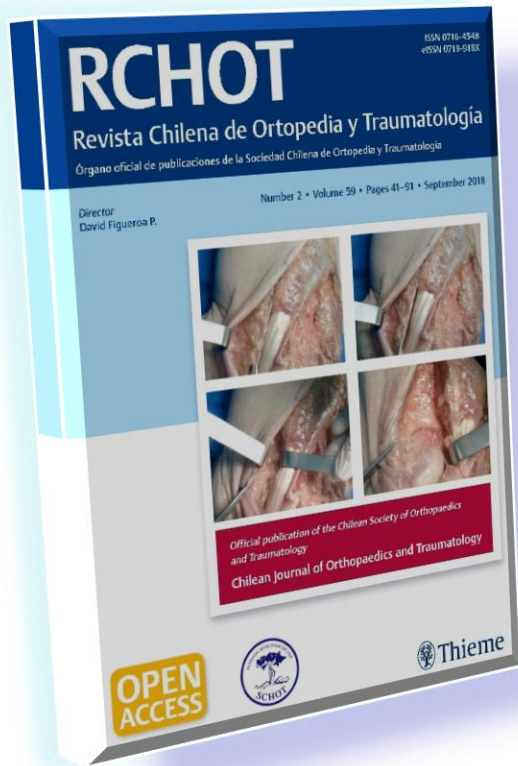

On the left side, there is a 'Thieme Specialties' menu listing various medical fields such as Anatomy, AO Foundation, Audiology, Biochemistry, Chemistry, Clinical Informatics, Complementary Medicine, Critical Care, Dentistry, Dermatology, Embryology, General Reference, Hematology, Histology, Internal Medicine, MedOne, Microbiology & Immunology, Natural Product Research, Neurology, and Neuroscience.

The main content area features the RCHOT journal cover. The cover includes the title 'RCHOT Revista Chilena de Ortopedia y Traumatología', the director's name 'Director: David Figueroa P.', and a grid of four images showing orthopedic procedures. It also mentions 'Official publication of the Chilean Society of Orthopaedics and Traumatology' and 'Chilean Journal of Orthopaedics and Traumatology'. Logos for 'OPEN ACCESS' and 'Thieme' are present at the bottom of the cover.

To the right of the cover, the journal's title is repeated in English and Spanish: 'Chilean Journal of Orthopaedics and Traumatology / Revista Chilena de Ortopedia y Traumatología'. Below this, there are four buttons: 'Read Online', 'Author Instructions', 'Editorial Board', and 'Publication Fees'. To the right of these buttons, the following information is listed: 'Issues per year : 3', 'Volume : 60', 'Year : 2019', and 'ISSN : 0716-4548'.

At the bottom of the page, a banner states: 'This Open Access journal is available to read for FREE on Thieme E-Journals.' Below this banner is a large blue button that says 'Online Manuscript Submission' with the subtext 'Submit your article here'. Below the button, the text 'Manuscript Submission' is partially visible.
